

Abseil Challenge Saturday 6th July 2019

Farleigh Hospice is looking for fearless fundraisers who are up for a challenge! Join us for an experience of a lifetime as you free-fall abseil down the ArcelorMittal Orbit, Olympic Park, London.

Enjoy the spectacular views of London's iconic landmarks including The Gherkin, St Paul's and Wembley Stadium. You will of course be in the safe hands of professional instructors, who will look after every aspect of your safety.

If you want to push yourself to new heights and have a truly exhilarating day to remember, why not challenge yourself today for just £50 and a minimum sponsorship of £350.

All the money you raise will help Farleigh Hospice support people in mid Essex affected by life-limiting illnesses and bereavement.
